PE

- Gymnastics
- Net and wall games

French

- Food
- Commands

Literacy

- Non-chronological reports
- Persuasion
- Play scripts
- Discussion

Computing

- Typing
- Filmmaking

Spring 1

What Makes The Mediterranean a Good Place To Go On Holiday?

During this topic children will learn about the weather and countries in Europe.

Spring 2

Should Talbot Pizza Open a Shop on Street Lane?

A Creative Curriculum unit linked to our local area and produce. This will incorporate key skills in geography, ICT and DT.

Other Useful Information

Independent Reading

Your child will have an opportunity to change their reading book twice a week (Tuesday and Thursday). Please listen to your child read where possible and talk to them about the text. The reading record should be signed by the parent/carer. Daily guided reading sessions will also start this term to support reading in class.

Spellings

Spellings will be sent home on Friday and the children will be tested the following week. These spellings will contain whole class words as well as a homophone of the week. Please practise these words with your child.

Maths Homework

A small amount of maths homework is set on Tuesday by your child's maths teacher; this homework is due in on the following Friday and should be signed by the parent/carer. Also, please support your child with learning their times tables and the related division facts (little and often works well).

Learning Logs

For each Creative Curriculum topic a series of tasks will be suggested and the pupils will need to complete a number of these over a period of time. The exact details will be in the Learning Logs.

PE Kit

PE kit is needed on Mondays and Wednesdays. Please also make sure that children have a tracksuit for outdoor PE.

Creative Curriculum Showcases

We will be inviting parents/carers to help us with our Pizza Project day during Spring 2. More information will be sent out about this nearer the time. We will also have a premiere of our pizza restaurant adverts.
