

Talbot Primary School

Sport Premium Initiatives 2013-14

Initiative	Direct Benefit	Legacy	Cost
<p>Two Sport Coaches The coaches deliver lunchtime activities, PE lessons and after school sport clubs (summer term)</p>	Whole School	Pupils are taught active games at lunchtimes which they can continue independently. Teachers in Year 1 to Year 6 work alongside the sport coaches to deliver PE lessons; this improves their knowledge base for the future. The after school clubs provided introduce new sports like tchoukball, cheer leading and dance.	£3800
<p>Sporting Assemblies Staff lead assemblies about the sport's they love, including niche sports like fencing, rock climbing and long distance running.</p>	Whole School	At the end of each assembly, the children are signposted to places where they can take up the sport in question.	£0
<p>Come and Try Sessions We promote various, free "come and try sessions" through Parent Mail at Roundhay High School.</p>	Whole School	Various Sporting organisations in Leeds hold free "come and try sessions". This can give the children the opportunity to try new sports for the first time, e.g., trampolining and basketball.	£0
<p>Leeds Met Sport Science Undergraduates The undergraduates teach Reception pupils PE in ratios or 2 adults : 5 children (spring term)</p>	Reception	Teachers work alongside the PE specialist acquiring new skills and ideas for the future.	£0
<p>Leeds Met Research Project Leeds Met are involved in a national research project which aims to increase the activity levels of younger</p>	KS1 (and 2JD specifically).	The children will have their fine and gross motor skills measured through a series of fun activities. The school will then be given	£0

pupils.		ideas to improve these skills and the children will be re-assessed in the future. Ideas that work well will be implemented across KS1.	
Zumba Tutor Taught both Year 2 and 3 classes for a six week block (autumn and spring term)	Year 2 and 3	The Year 2/3 teachers often use Zumba routines as warm up activities. They have been left a CD and a manual to support this.	£480
Outdoor table tennis table Two were bought for the KS2 playground (one was funded by the PTA).	KS2	This allows children to discover table tennis or improve their skills. This links in with our Racket Skills clubs, which run after school four evenings a week.	£700
Outdoor Bike Storage This was erected to protect bikes from the elements.	KS2 initially	The sheltered storage will allow school to create a stock of bikes and ultimately facilitate the teaching of cycling within the curriculum in years to come.	£2000
Cycle Training Two staff will be trained to teach cycling within the curriculum.	KS2 initially	Staff will be able to teach cycling within PE lessons.	£150
Cycling Equipment School is buying bikes, bike helmets and padlocks.	KS2 initially	School has invested in a stock of cycling equipment, which will allow cycling lessons to be taught in the curriculum (i.e., it will help overcome difficulties of bringing equipment in).	£200
Cycle Clubs To give pupils the confidence to cycle safely and well, including to and from school.	TBC	TBC	TBC
Total Spent between September 2013 and September 2014 - £7,330
