Come and Try Sessions We promote various, free "come and try sessions" through Parent Mail at Roundhay High School.	Come and Try Sessions All children are provided with the opportunity to partake in a new sport or activity. Transport to and from the venue is arranged through school and parental permission is obtained in writing via letters. Where it is not possible for staff to attend 'Come and Try' events with pupils, parents are encouraged to do so via Parentmail or through posters displayed around school.			These events showcase new sports for children and expose them to more choice. This can be especially important for children who do not enjoy traditional sports. <i>"I am excited to try something new!"</i>	£0
